

August - 2020

Dear Parents,

I hope that this letter finds you and your loved ones well. As we embark on a new school year, we all know that this will be a school year like no other.

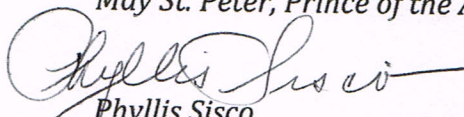

Please know that many hands have been working for months to ensure that St. Peter School is ready to safely open in September. We have learned more about face masks, desk shields, signage, air purifiers and electrostatic sprayers than we ever thought we would need to know. However, our goal is and has been safety first with our students and faculty in mind. I respectfully ask your cooperation and understanding as many new procedures and policies must be put in place.

I would be remiss if I did not mention those who have been working for our school. Thank you to Mrs. Mary Nocciolo who throughout the months since the closure in March has worked from home to answer parent questions and help our school families. Thank you to Scott Laudati who cleaned the school following the closure and has been working to ready the school for September. Thank you to the rectory staff for their support of the school during these difficult times. Thank you to those members of the faculty who have stood together for the children of our school. Thank you to Father Ivan for his strong leadership in keeping the school open and making the school an integral part of the parish life of St. Peter.

This year will bring challenges to all of us. But as a certain pastor recently noted the devil throws many roadblocks in our path. We must have faith.

These are the times that truly demonstrate the need for a strong Catholic Identity which we at St. Peter School promote and cherish.

May St. Peter, Prince of the Apostles, continue to bless you.

Phyllis Sisco
Principal
