ACTION ALERT – NJ State Budget

Ask the Legislature to Increase Nonpublic School Accounts in FY 2022 Budget

Governor Murphy announced his proposed Budget for Fiscal Year 2022 on February 23, 2021. The Budget process is now in the hands of the Legislature. We are asking the Legislature for increases in the per-pupil amounts for the nonpublic transportation ceiling and the Nonpublic School Technology Initiative. Specifically, we are asking for the nonpublic school transportation ceiling to be raised to \$1,150.00 and for the per-pupil amount for nonpublic school technology to be increased to \$45.00.
